Science Teacher

Profile Summary

A dedicated and motivated **Teacher** who has over **3 years** of experience teaching students in a renowned school in Pakistan. Maintains strong skills in teaching, lesson planning, lecture delivery, time management and task implementation.

Possesses strong qualifications including a **BSc degree in Electrical Engineering** and has strong teaching and classroom engagement skills. My professional traits include; problem-solving, decision-making, task management, coordination, adaptability and communication.

Skills & Vocational Strengths

Teaching | Delivery | Lesson Planning | Students Assessment | Planning & Implementation | Task Management | Active Listening | Adaptability | Tolerance | Classroom Management | Speaking | Reading Comprehension | Time Management | Coordination | Confidence | Leadership Skills | Presentation Skills | Teamwork | MS Office Suite | Communication | Strong Work Ethics

Work History

Allied School

Physics Teacher

Key Contributions & Achievements:

2016 – Current

- Teaching Physics to Class 9 and 10 students.
- Adapting teaching methods and instructional materials to meet students' varying needs and interests.
- Instructing through lectures, discussions, and demonstrations.
- Assigning homework and interesting exercises to students on a regular basis.
- Identifying students with special requirements and creating individualized plans.
- Preparing students for the incoming exams and facilitating student learning in Physics.
- Effectively managing the classroom and collaborating with teaching staff to foster a good student experience.

Key Competencies

- **Education and Training** — Strong knowledge of principles and methods for teaching and instruction for individuals and groups.
- **Critical thinking** — Use logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
- **Time Management** — Manage one's own time and the time of others.
- **Attention to Detail** — Careful about detail and thorough in completing work tasks.

Education

- B.Sc. Electrical Engineering - **University of Engineering & Technology, Lahore** 2015
- Intermediate in Pre. Engineering - **Punjab College, Gujranwala** 2011
- Matriculation in Science - **Beaconhouse School System, Gujranwala** 2009
