

RESUME

Muhammad Fahad

House# 40, Usman Street Nizam Pura Dhaka
P/O Kot Abdul Malik Tehsil Ferozwala District Shaikhupura

OBJECTIVE

Seeking a challenging and rewarding career in a progressive and dynamic organization with growing opportunities.

Personal Profile

Father's Name : Muhammad Younis
Date of Birth : 05-01-1995
CN.I.C. # : 35401-0896180-3
Contact Number : 0306-8456959
Email : fahadyounis959@gmail.com

Educational Background

| Degree | Board / university | Division | Year |
|--------------------|-------------------------|-----------------|-----------|
| Matric | B.I.S.E Lahore | 1 st | 2010 |
| F.Sc (pre-medical) | B.I.S.E Lahore | 1 st | 2013 |
| BS (Hons)Chemistry | University of Education | 1 st | 2013-2017 |
| M.Phil. Chemistry | GCU Lahore | 1 st | 2017-2019 |
| B.Ed (1.5 year) | AIOU | 1 st | 2017-2019 |

Research Work

- An Economical and Validated UV-Spectrophotometric Method for the Estimation of Esomeprazole Capsule (40mg).
- Synthesis, Characterization and Evaluation of Potential Applications of Metallogels derived from Multidentate oxygen donor ligands.

Working Experience

| Teaching (subjects) | Experience | Institutes |
|---------------------|------------|----------------------------------|
| Bio,Chemistry | 5 years | Zahid Model School |
| Bio,Chemistry | 2 years | Acme Science Academy |
| Chemistry | Continue | Quid Educational complex Academy |

International Conferences (Participation)

- 1st and 2nd International Conference on Recent Advances in Chemical Sciences Organized by Department of Chemistry GC University Lahore, Pakistan Institute of Chemists (PIC).

Poster Competition

- Presented the poster of “Metallo-Gels for catalysis, photo-Luminescence and Crystallization” in 2nd International Conference on Recent Advances in Chemical Sciences Organized by Department of Chemistry GC University Lahore, Pakistan Institute of Chemists (PIC).

Computer Skills

- Microsoft Office (Excel, PowerPoint, and word).
- ChemDraw.

Language Proficiency

- Urdu and English.

Reference

- It will be provided on demand.
