

# MAHNOOR ASLAM

## BIOLOGY/SCIENCE LECTURER

03231416971 mahnoorsheikh231@gmail.com

### AREAS OF EXPERTISE

- Extensive biology knowledge
- Interactive learning
- Purposeful lesson planning
- Behavior management techniques
- Establishing positive and encouraging relationship with students
- Class room management
- Biology lab techniques
- MS WORD/POWER POINT

### PERSONAL SKILLS

- Focused
- Confident
- Hard Working
- Tolerant
- Positive nature
- Adaptable personality
- Passionate
- Fast Learner
- Effective Communication

### CO-CURRICULAR ACTIVITIES

- Participated in Urdu and English speech contests.
- Active participation in science exhibitions, naat and national song competitions, spellathon competition, art and craft contests and hosting different events.
- Part of Creative Team in, Institute of Biochemistry and Biotechnology department.
- Worked as a Head girl at The Educators and Punjab College Lahore and Girl Representative in IBB PU, Lhr.

An organized, driven and hardworking biotechnologist with an excellent educational record who can maintain motivated and goal oriented environment for any organization. Has extensive knowledge of the Biological processes, medical lab techniques and ability to communicate effectively at all levels.. A highly approachable, positive individual who has the ability to lead, make critical decisions and work to deadlines. Seeking to pursue every avenue to achieve a career in teaching field.

### EDUCATION

MPhil	GC University(Evening)	2019 continue
BS Honor's in Bio-technology	University of the Punjab Lahore , 2019	CGPA 3.266
F.Sc. Pre medical	Punjab College (Super Section), 2015	967/1100
Matriculation	The Educators, 2012	1000/1050

### EXPERIENCE

- ❖ 2019 -Developed an undergraduate project on “Prevention and Management of Poultry Diseases and Future Prospect of Bioengineered Probiotics for Poultry Vaccination.” This was a new idea that we took up, it will not only enhance immune system and natural microflora but will also help to combat diseases simply through engineered food.
- ❖ 2018-Summer internship in **Jinnah Hospital Pathology Lab**, Successfully managed peak hours and crowdy situation. I worked in chemistry and hematology section of lab where I did a wide range of serum chemistry tests on state of the art BECKMAN coulter equipment and performed various tests related to blood chemistry.
- ❖ 2017-Summer internship in **PCSIR lab**. I worked in the food and biotechnology research center where I worked on microbiology and chemical analysis of food and water.
- ❖ Worked as a science teacher of seventh and eighth standard in **The Educators(September 2014 to January2015)**
- ❖ Tutoring students till inter level since 5 years in all of their academic disciplines.

### ACHIEVEMENTS

- ❖ Got 3<sup>rd</sup> position in “**The Educators Central Region campuses**” in matriculation and was awarded with a medal and tablet and cash prize
- ❖ Won a cheque of **one lac** rupee from Punjab College for standing among the top position holders in BISE LAHORE matriculation examinations.
- ❖ Awarded **100% scholarship** at PGC.
- ❖ At middle level I was awarded with the title of “**STUDENT OF THE YEAR**”
- ❖ Remained throughout 1st position holder up to matriculation.
- ❖ Our under graduate thesis was much appreciated.
