

DIAN US SUQLAIN

241-A Muslim town, Lahore · 0303 4125027

dianussuqlain1@gmail.com

As a teenager I am very enthusiastic and conscious towards achieving my goal in life which is to become a software engineer. To bring some change in life and to prove that success can only be achieved by hard work.

During my degree, I have developed an excellent eye for detail due to the heavy demands of assignments and research. As a result, I am also able to work under pressure.

EXPERIENCE

10TH JULY, 2019 – 30TH AUGUST, 2019

INTERN, PACKAGES LIMITED

Placed as a project Intern under IT department and had to make several projects out of which, the major project was related to Machine Learning.

6TH JUNE, 2018 – 10TH SEPTEMBER, 2018

INTERN, INOVEDIA (SOFTWARE HOUSE)

Over the course period of 3 months, I am confident that I can easily build a website using Bootstrap and JavaScript, I have not completely perfected my skills in them but as far as I have learnt in 3 months, I can make good looking and attractive websites and their contents.

12TH JULY, 2017—AUGUST, 2017 **INTERNSHIP, PCYO (PAKISTAN CRESCENT YOUTH ORGANIZATION)**

Worked with PCYO for one month to collect funds for the poor children in Lahore.

Certificate for brand ambassadorship given by Pakistan Crescent Youth Organization
