

Dilshad iqbal

Instructor | Programmer

I'm studying MS (Computer Science) from Bahria University Lahore campus. I'm a game developer and Trainer. I have 2 years of experience in teaching (Home Tutions) and 1.5 years plus experience in Unity 3d and 2d games. As a Professional Instructor and game developer, I want a highly rewarding career where I can use my skills and knowledge for organizational and personal growth.
